Metro Peoria to Speak to Moss-Bradley Residents

Peoria - Members of the Metro Peoria Committee's Speakers Bureau will be presenting City of Peoria and Peoria County service collaboration initiatives to the Moss-Bradley Residential Association at the association's regular meeting on Wednesday, April 3 from 7:00 - 8:00 p.m. at Westminster Church, 1420 W Moss Ave, Peoria. This meeting is open to the public.

The Metro Peoria Committee established a speakers bureau earlier this year to help raise awareness of the joint partnership between Peoria City and County governments. The committee, comprised of three County Board members and three City Council representatives, helps identify, investigate, and implement collaborative efforts for better service delivery to citizens.

Service clubs, community-based organizations, schools, or other groups wanting to learn more about local government matters such as collaborative efficiencies, citizen engagement, or transparency are encouraged to contact Jenny Fulton, Peoria County's Director of Strategic Communications, to schedule a speaking engagement for Metro Peoria Committee members: (309) 672-6918 or jfulton@peoriacounty.org.
